THE MODERN WAY TO PLAY

Private Hire

Three London Clubs

Pitch operates three London venues, each delivering its own take on golf and socialising. From our flagship Pitch Wharf in Canary Wharf to the energy of Pitch Soho and the original Pitch City near Liverpool Street, every venue brings together Trackman golf bays, stylish bars and relaxed social spaces designed for groups to play, eat and drink.

Eat, drink, play & unwind

Pitch is designed for larger groups and exclusive events for 40+. With private area hire, your guests can enjoy a dedicated space for socialising, eating, and celebrating in style. From varied food options in Canary Wharf and Soho, to Pizza Pilgrims at our City venue, each clubhouse offers standout food alongside cocktails, wines, and draught beers.

Groups can select their area and work within a minimum spend, which can include game play, food and drink, or additional activities. You can choose to add Trackman gameplay with course caddies, arcade-style games, or other extras to tailor your experience and keep guests entertained.

Our Games

During your event, our Course Caddies will help guide guests through the use of the Trackman-powered bays giving your party access to world-class virtual courses, a driving range, and interactive games such as Party Putt, Cannon Bowl, and Streets of Neon. For a competitive edge why not add challenges like nearest-the-pin or longest-drive?

If golf isn't for everyone, the bays can switch to a giant Nintendo console with Mario Kart included as standard. Selected venues also offer additional activities such as shuffleboard*, making it easy to create a fun, interactive experience for all abilities.
