THE MODERN WAY TO PLAY

Christmas Event Packages

Three London Clubs

Pitch operates three London venues, each delivering its own take on golf and socialising. Our flagship Pitch Wharf in Canary Wharf features an outdoor terrace alongside Trackman golf bays, stylish bars and relaxed social spaces, while Pitch Soho and the original Pitch City near Liverpool Street offer the same lively mix of play, food and drink in the heart of London.

Golf Game Play

During your Christmas event, our dedicated Course Caddies will help guests get the most from our Trackman-powered golf bays, ensuring everyone can join in, regardless of experience. From complete beginners picking up a club for the first time to seasoned golfers looking to test their skills, our immersive technology creates an experience that's fun, social and accessible for all.

Play iconic courses including St Andrews, Pebble Beach and Wentworth, or head to the virtual driving range to see who can hit it the furthest. Prefer something more casual? Interactive games such as Party Putt, Cannon Bowl and Streets of Neon are designed for all abilities. For a competitive edge, add Nearest the Pin, Longest Drive or team tournaments, complete with live leaderboards and prizes.

More than Golf

While golf is at the heart of the Pitch experience, there's plenty more to keep your guests entertained throughout the evening. Our bays can transform into giant gaming screens, with Mario Kart included as standard, alongside FIFA tournaments, Duck Hunt clay shooting challenges and immersive F1 Racing Simulators at selected venues.

Pitch Wharf also offers shuffleboard, adding another layer of friendly competition and team interaction. Whether guests want to compete, collaborate or have fun, there's an activity for everyone, making Pitch the perfect choice for diverse teams and mixed groups.
