The Better Way to Play

A place to play. A place to practice. A place to come together. Pitch takes the best elements of a traditional club and reshapes them to create an enhanced golfing experience. Our venues combine cutting edge technology with world class coaching in thoughtfully designed surroundings.

Whether you’re playing, looking for a venue to impress clients, warming down with a drink or meeting friends, you’ll be doing it in style – we’re building a new kind of golfing community and you’re all welcome.

Three London Clubs

Your membership unlocks access to all three Pitch London venues: City, Soho and Wharf. Each club has its own character and location, giving you the flexibility to play wherever suits your day, whether that's a lunchtime session in the City, an evening in Soho or a weekend visit to Canary Wharf.

From our original club in the heart of the Square Mile to our vibrant West End venue and our flagship waterside location at Canary Wharf, you'll always have a Pitch club nearby.

One membership, three destinations, and endless opportunities to make the most of your game.

A Club Where Everyone is Welcome

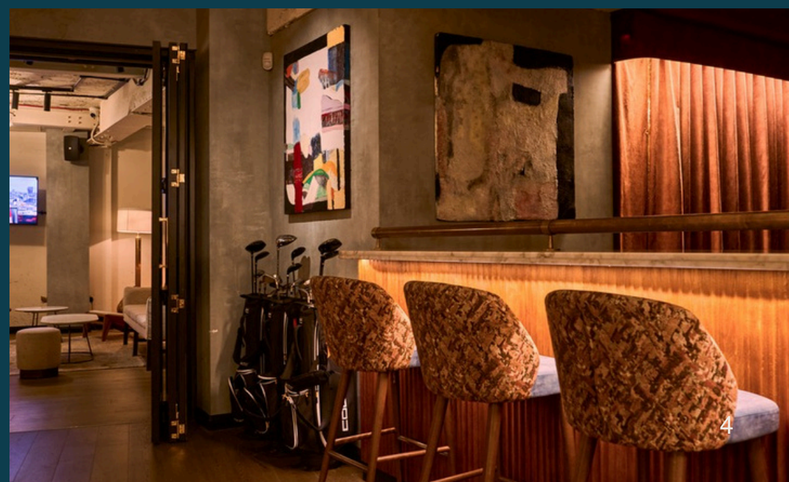

From beginners to seasoned players, we've designed our venues to ensure everyone has fun.

Each Clubhouse features an Academy for lessons and practice, social bays, a bar and lounges that can be booked for anything from group lessons to team rewards, client entertainment or full venue hire.

With a bespoke food and cocktail menu, organic wines and craft beers, our members and their guests alike enjoy the Pitch experience.

Take advantage of our expert PGA Professional golf coaches on the latest tour technology provided by Trackman with the latest clubs when you purchase your Pitch membership.

“Such a great find in London! Perfect for golfers of all abilities with a fabulous drinks selection as well. I have already enjoyed a few evenings at Pitch and will definitely be going back for more.”

“Been a member for 6 months and would highly encourage and recommend people who love golf but don't have the time to play on weekends to give it a go.”
